

Medical care close to home Inside Mercy Magnuson Place

Services

- Health checkups for all ages
- Care when you are sick or injured
- Help with ongoing conditions (like diabetes, asthma)
- Reproductive health care (family planning)
- Pregnancy care
- Help with stress, anxiety, and reducing alcohol or substance use
- Vaccinations
- Interpretation services
- Referrals to specialists and dental care
- Insurance enrollment assistance
- Care coordination with hospitals, rehabilitation centers, and other providers

Fees and insurance

We accept most insurance, including Apple Health (Medicaid), Medicare and private plans. We offer insurance enrollment assistance and a sliding fee discount. No insurance is required, and no one is denied services due to inability to pay.

New patients and
walk-ins welcome
